

Cost and Payments

The cost of the Splash Pass is \$50, which will be donated to MPRA. Payment should be made by cash. You will give your payment to your host city who will then forward the payments on to the fund-raising committee.

Value of Card

There are 20 participating pools in the St. Louis area. You get two visits to each pool, with an average daily visit fee of \$9.

**40 visits x \$9 average =
approximate value \$360**

Reasons for the Splash Pass

The Splash Pass is an idea that came from the Region 4 fundraising committee as a way to provide the Missouri Parks and Recreation Association (MPRA) with an additional funding source. MPRA's mission is to advocate the quality of life through effective use of parks and recreation opportunities, education, and resources. Through your support of the Splash Pass, we hope to raise \$15,000 to further the mission of MPRA!

Rules and Regulations

1. You **MUST** follow all the rules and regulations of each pool that you visit. It is your responsibility to make yourself familiar with these rules and regulations before you visit the facility.
2. Many pools do not allow daily admissions for non-residents, so you should have a Splash Pass punch available for each person that is planning on visiting. Do not assume a third person will be able to pay a daily admission rate upon arrival. If you wish to take a third person please call the pool ahead of time and ask if they allow non-resident daily admissions.
3. Each Splash Pass card has two visit punches to each pool. The punches can be used by two different people.

Splash Pass 2021
