Certification Extensions That Have Been Approved by the National Certification Board

Message to individuals who have registered for the Computer-based examinations.

CPRP - Anyone who has an expiration date of 5/29/2020 or earlier will be provided a 90 day extension.

CPSI - Anyone that had a current exam period as of 3/23/2020 has been provided a 90 day extension. Anyone purchasing the CPSI Computer-based examination through 5/29/2020 will have 180 days to complete the examination.

Message to Certified Park and Recreation Executives expiring on 9/1/2020

Due to the current challenging circumstances, NRPA and the National Certification Board will extend Certified Park and Recreation Executive (CPRE) certification expiration date by six months upon request, from 9/1/2020, to 3/1/2021. Certified professionals who request an extension will maintain a new certification cycle beginning and ending in March. If you would like to extend your expiration date, please contact NRPA Certification Manager Molly Sullivan at msullivan@nrpa.org.

Message to Certified Park and Recreation Professionals expiring on 9/1/2020

Due to the current challenging circumstances, NRPA and the National Certification Board will extend your Certified Park and Recreation Professional (CPRP) certification expiration date by six months upon request, from 9/1/2020, to 3/1/2021. Certified professionals who request an extension will maintain a new certification cycle beginning and ending in March. If you would like to extend your expiration date, please contact NRPA Certification Manager Molly Sullivan at msullivan@nrpa.org.

Message to Aquatic Facility Operators expiring on 6/30/2020

Due to the current challenging circumstances, NRPA and the National Certification Board will extend your Aquatic Facility Operator (AFO) certification expiration date by six months upon request, from 6/30/2020, to 12/31/2020. Certified professionals who request an extension will maintain a new certification cycle beginning and ending in December. If you would like to extend your expiration date, please contact NRPA Aquatics Program Manager Elizabeth Gonzales at egonzales@nrpa.org.

Message to Certified Playground Safety Inspectors expiring between 4/1/2020 and 7/1/2020

Due to the current challenging circumstances, NRPA and the National Certification Board is extending all Certified Playground Safety Inspector (CPSI) certification expiration dates between 4/1/2020 and 7/1/2020 by 90 days.
