Lake Ozark State Park

October 6-7, 2019

Camp Rising Sun, Lake Ozark State Park

Students, Professors, & Professionals:

The MPRA Student Workshop will expand your knowledge, provide a great networking opportunity and give you a chance to socialize with parks and recreation students and professionals from around the state.

Volunteer Opportunity:

The Missouri Department of Natural Resources has generously supplied the accommodations for our event and we want to give back to them with a service project. Please bring work gloves, work clothes, tennis shoes, and a smile on your face.

Things to Know:

You will be staying overnight in cabins at Lake Ozark State Park. More information will follow concerning what to bring, workshop schedule, and directions. Your registration fee covers lodging and three meals.

This is an alcohol free event.

Registration is \$20 per person due by Friday, September 27th.
