

# CERTIFIED PLAYGROUND SAFETY INSPECTOR COURSE

March 17, 2021

## COURSE DETAILS

### PREPERATION

You will receive your course materials approximately three weeks prior to the first day of the course. It is extremely important that you read the course materials prior to attending the class. Failure to study the materials before the course commonly leads to failure of the exam.

### CEU's

Earn 1.5 CEU's while participating in this seminar. NRPA will forward you a transcript of your attendance 6-8 weeks after the course is finished.

### CERTIFICATION

You will receive a notification with your exam results 6-8 weeks after the exam directly from NRPA. If you pass the exam you will be certified as a CPSI Inspector for a period of three years. At the end of your certification cycle you can elect to attend the course again (recommended) or elect to take the exam only. Due to changes in regulations and content it is highly recommended your repeat the course work prior to renewing your certification.

### TECHNICAL REQUIREMENTS

- A desktop or laptop computer with a screen size of at least 15" (allowing you to easily read the screen, and comfortably work for several hours at a time)
- High speed internet connection
- Speaker(s) and a microphone or telephone/smartphone
- Direct access to an email account

## MARCH 17, 2021 CPSI REGISTRATION FORM

### INFORMATION

#### How safe are your playgrounds?

The CPSC estimates that over 205,000 injuries occur on playgrounds each year, with approximately 15 resulting in death.

The Certified Playground Safety Inspectors Course is the most comprehensive training program on playground hazard identification and risk management methods anywhere.

Candidates will receive 12 hours of prerecorded instruction along with 4 hours of virtual training with a playground safety expert. CPSI designed the pre-course study guide and training to prepare you for the Certified Playground Safety Inspector examination. The examination takes place at an approved testing center.

#### Program highlights include:

- Identify Hazards on the Playground
- Developing Risk Management Tools
- Importance of a Comprehensive Safety Program
- CPSC Guidance Review
- ASTM Standard Analysis
- Test Methods of Entrapment, Protrusions, and Entanglement

CPSI does not recommend that you attempt the exam unless you have access to the materials three weeks prior to the course.
