

NAYS SPECIAL ONSITE ACADEMY CYSA TRAINING OPPORTUNITY

Description:

MPRA has teamed up with the National Alliance for Youth Sports (NAYS) and will offer a special onsite **Academy for Youth Sports Administrators** for professionals pursuing the **Certified Youth Sports Administrator** (CYSA) credential. NAYS believes that every community should have at least one CYSA overseeing organized youth sports programs.

This event is scheduled for **Thursday, February 20, 2020** in conjunction with the MPRA Annual Conference and Expo at The Lodge of Four Seasons.

After a full day of hands on training, participants will complete the certification process via the Online Academy system. This allows participants to experience both the Onsite and Online Academy, have an opportunity to meet the NAYS Academy faculty and to network with other youth sports professionals around Missouri.

Completing the Academy gives youth sports administrators a strong foundation of knowledge on issues pertaining to overseeing youth sports programs in today's ever-changing environment. Some of the topics covered through the Academy are youth sports philosophy, professional development, volunteer management, child abuse prevention, parent management, conflict resolution, insurance and risk management, program evaluation and marketing. More than 3,800 professionals from around the world have earned this important certification.

Onsite Academy Learning Outcomes:

- Summarize the evolution of youth sports and analyze the current youth sports environment in each participant's community
- Discuss the importance of establishing and promoting an appropriate youth sports philosophy
- List policies and procedures as a backbone of all youth sports programs
- Examine parental roles and responsibilities in youth sports
- Outline a comprehensive volunteer screening process

Audience:

Administrators in key decision-making positions within public agencies providing parks, recreation and similar community services, sports leagues directors, & field management staff.

CEUs:

MPRA is seeking 0.6 CEUs for this activity (pending).

Deadline to Register:

All applications to attend this activity are due no later than February 14, 2020.
