AQUATICS COORDINATOR
BLUE VALLEY RECREATION COMMISSION

The Blue Valley Recreation Commission is seeking an energetic aquatic professional to join our team. The Aquatics Coordinator will develop and supervise programs and events for an indoor aquatic facility. This position is also responsible for recruiting, training and supervising a variety of seasonal staff.

Qualified applicants must possess the equivalent of a bachelor's degree from an accredited college or university in Recreation Administration, Leisure Services or other related field. Two years of responsible experience that includes the operation and maintenance of a pool is preferred. The following certifications must be held (or acquired within the first year of employment): Certified Pool Operator or Aquatics Facility Operator, CPR for the Professional Rescuer, AED/First Aid, Water Safety Instructor, Lifeguard Training Instructor. Candidates must possess strong communication and leadership skills with attention to detail and customer service.

This is a full-time position with competitive salary and benefits.

Starting Salary: \$47,105; increased salary will be considered dependent upon qualifications and experience.

Application Deadline: Open until filled - apply today.

To Apply: Submit letter of application, resume' and references to:
