

The Springfield-Greene County Park Board is looking for the next Community Recreation Supervisor, assigned to the Aquatics section of the Recreation division. This assignment is in a dynamic, team-focused environment where creativity and collaboration are part of the daily culture. The Community Recreation Supervisor assists in supervising a dedicated team of lifeguards, instructors, cashiers, and swim coaches in serving the public through staffing and programming 8 different aquatics facilities including two indoor pools, 5 outdoor pools, and a wading pool. The ideal candidate thrives in a team environment, has a keen attention to detail, demonstrates confident leadership skills, and has an eagerness to creatively engage aquatics programming through evaluation and improvement of existing programs as well as creating new ones.

- **Certifications specific to lifeguarding are a plus, but we can assist the right candidate in obtaining certifications upon hire.**
- **Strong leadership skills and flexibility are a must!**
- ***The position will require a flexible schedule to cover various aquatics programs and special events and will include being on call in a rotation with other full time aquatics staff.***

#### **About the Department:**

The Springfield-Greene County Park strives to provide the very best in parks and recreation facilities, programs, events, and services to our community. In doing so, we will make a positive impact on the overall quality of life, health, environmental, social, and economic aspects for our resident families and visitors alike.

The Park Board includes 3,200 acres and 103 sites, ranging from neighborhood playgrounds to multi-use recreational facilities to natural resource areas. The system includes four golf courses, three family centers, a zoo, a farm park, botanical gardens, several sports and athletic complexes,

two indoor aquatics centers, six outdoor swimming pools, multiple School-Park sites and more than 100 miles of recreational trails -- including 70 miles of Greenways.
